1. Applicants' paper filed on 3/3/2006 has been received and entered. Claims 1-28 have been cancelled. Claims 30-43 have been added. Claims 29-43 are pending in the application.

- 2. Applicants' remark has been considered.
- 3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Bradley A. Forrest on 4/19/2006.

The application has been amended as follows:

In claim 41, line 1, delete "20" insert there in -40--.

4. The following is an examiner's statement of reasons for allowance:

Claims 29-43 are allowable over the prior art of record because none of the prior art whether taken singularly or in combination to teach the claimed combination as recited, especially when these limitations are considered within the specific combination, particularly require in combination with other limitations of the claim, the prior art of record fails to teach a training module/means run on historical data to create a pool of vectors with values for the variables, and creating clusters of bad actors from the values based on statistics and associates the clusters with known events.
